### Mission

The vision of the A.C. Milan Soccer School is to develop each and every player's skills technically and tactically. This will greatly increase the understanding of each player's role on the soccer field. The Academy also specifically aims to equip our players with vital life skills such as focus, stamina and discipline that will stand them in good stead in all other aspects of their lives.

The A.C. Milan Soccer School philosophy is founded on the "whole person" approach, recognizing that improving a player's physical and technical development must go hand in hand with the advancement of each player's maturity as well as their emotional and psychological well-being.

The A.C. Milan Soccer School will therefore encourage all children to aim high, in terms of their soccer ambitions, and will promote the practice of sport as a means of improving each player's mental and physical health.

To this end, all our programs will focus on four key target areas: Motor skills, Cognitive skills, Personal skills and Social skills.

### History

We started as the Eagles Soccer Club of Aventura six years ago to response to many parents of the North East Miami Area that couldn't find a complete set of Soccer Programs for their kids. Today, The Eagles Club has evolved to become the **AC Milan Soccer School of Miami**, under this new scenario we will keep sharing and promoting the love for our sport and the values that have differentiate our organization from any other soccer school.

## Frequently Asked Questions

### **If my kid fails the TRYOUT, is he/she out of the team?**

**NO**, because nobody fails a Tryout. Every kid that wants to play with the Milan Soccer School can play with us. The tryouts are just a tool especially designed to establish the current skills of the players in order to define the level and teams that better suits their needs according to his/hers current skills. The tryouts also serve as a mean to keep formal records of the player's skills at the time of joining the Milan Soccer School.

### **If I do not live in the area (Aventura, Hollywood, North Miami, Hallandale etc), do I have transportation options?**

Although we do not provide transportation, we have made contact with a specialized transportation company that will be able to pick up your kid(s) in areas as far as Doral, if you need this service we can give you the contact information.

## **MILAN SOCCER SCHOOL FINANCIAL AID**

**This program has proved its effectiveness as in the past with the aid of many of our families some of our skilled kids who cannot afford to pay the fees have been able to be part of our organization.**

We encourage our families that can support our kids to do so and make ours truly living values. Many children of our club in the past years had the opportunity to play soccer and to have fun with their friends and team mates thanks to your generous contributions.

Your contributions are fully used to include everyone who cannot afford to pay and want to play the sport. This is normally done anonymously.

Actually, as our club has grown fast, we want to keep our support program and to include more kids. However, we face the reality that we can't do it without everyone's help. That's why this year we implemented once again the A.C Milan School Financial Aid Program where everyone willing to participate can do it in very simple ways:

- 1)** On the registration form, there is a checkbox where you can check and automatically donate \$15, \$20 or \$25 or the amount you want donate. Every month we will debit that amount along with your monthly payment.
- 2)** Find and bring a sponsor for the program. A business, the company where you work or any friend could be a sponsor of one, two or ten children willing to play soccer. If desired by the sponsor we can promote its name in our communications or we can keep the donation anonymous.

**One of the many goals of A.C Milan School is to ensure that any child with the desire, commitment, and ability to play soccer be given the opportunity to do it regardless of his/her family financial ability.**

**The financial aid will assist with the fees.**
